

**For Immediate Release
06/05/2020**

It is with heavy hearts that we announce the cancellation of our annual Independence Day celebration. Because of you, the event has grown into a large, well-attended, family-fun event. The size of our event prevents us from complying with social distancing restrictions, causing us to cancel. Keeping our community safe and healthy is our top priority. Next year, we can all gather once again, enjoying an even bigger and better firework show by the Brown family, and celebrate with music, food and fun! Stay well. We cannot wait to celebrate with you next year!

**Thank you!
Jaime**
